

Qualsafe Level 3 Award in Emergency First Aid at Work

Course Description

The QA Level 3 Award in Emergency First Aid at Work (RQF) is a regulated and nationally recognised qualification designed for those who have a specific responsibility at work, to provide first aid in a range of emergency first aid situations. It is also ideal for people who have a specific responsibility to provide basic first aid in voluntary and community activities.

Course Information

Full Day Course

The QA Level 3 Award in Emergency First Aid at Work (RQC) qualification is designed for individuals who wish to act as an emergency first aider in their workplace. Upon successful completion of this qualification, candidates will be equipped with the essential skills needed to give safe, prompt and effective first aid in emergency situations. What's more, as a regulated qualification, employers can book this course for their employees and rest assured that they have fulfilled their legal responsibilities for providing quality first aid training.

This qualification covers the following topics:

- The roles and responsibilities of an emergency first aider
 - > Recovery Position
 - > Minor injuries
- > Assessing an incident
 - > Choking
 - > Cuts, grazes and bruises
- > Managing an unresponsive casualty
 - > Seizures
 - > Minor burns and scalds
- > CPR and AED use
 - > Shock
- > Wounds and bleeding

The course will conclude with candidates undertaking a practical assessment and multi-choice examination, the successful completion of which will result in the awarding of a QA Level 3 certificate in Emergency First Aid at Work (QCF) which is an Ofqual Regulated Qualification accredited by Qualsafe Awards.
