

Qualsafe QA Level 2 Award in Basic Life Support for Adults and Children (RQF)

Course Description

This regulated and nationally recognised qualification provides Learners with the necessary skills and knowledge needed to deal with an adult or child who requires basic life support in an emergency situation.

Who Should Attend?

The QA Level 2 Award in Basic Life Support for Adults and Children (RQF) qualification has been designed for those who have a specific responsibility at work, or in voluntary and community activities to provide basic life support for adults and children. It is also ideal for those who are qualified in providing first aid and are looking to refresh or develop their existing first aid knowledge and skills further.
