

First open chest strap and waist belt buckles.

Place waist belt around your hips. Close waist belt buckle in front of you. Adjust size of waist belt to fit tight. Roll excessive webbing up and secure with elastic

Turn waist around and open shoulder buckle on each side.

**1.4** Make sure body of carrier is centered in front of you. Sit your child around your waist with her legs on either side of you.

Bring body of carrier up over baby's back. With one hand supporting your child, reach for shoulder strap with your free hand and place it on your shoulder. Switch hands and place the second shoulder strap on your shoulder. Reach back for end of shoulder strap, bringing it across your back.

Holding child with your forearm, use both hands to close shoulder strap buckle on side of the carrier. Adjust size of shoulder strap by pulling

toward yourself. Make sure the fit is tight and

Repeat previous step with other shoulder strap.

On each shoulder strap, roll excessive webbing up and secure with elastic band on the end.

For better fit, loosen or tighten perfect fit adjusters on top of of each shoulder

# FRONT CARRY

**2.1** First open chest strap and waist belt buckles.

Place waist belt around your hips. Close waist belt buckle in front of you. Adjust size of waist belt to fit tight. Roll excessive webbing up and secure with elastic band on the end. Fully tighten perfect fit adjusters on top of of each shoulder

2.3 Turn waist around. Make sure body of carrier is centered in front of

**2.4** Before you master this step, do so over a bed or other soft surface. Initially, assistance of another person is helpfull too.

Sit your child around your waist with her legs on either side of you. Holding child and the carrier with one arm, bend forward and slide your child in the carrier around your hips toward and onto your lower back. Use your free arm to slide waist belt around your hips more easily.

Once your child sits centered on your lower back, place shoulder straps on your shoulders one at a time.

2.6 Adjust size of shoulder straps by pulling upward. Make sure the fit is tight and safe.

Close chest strap in front of you and adjust the fit by pulling sideways onto its free end. Chest strap should be at collar bone level.

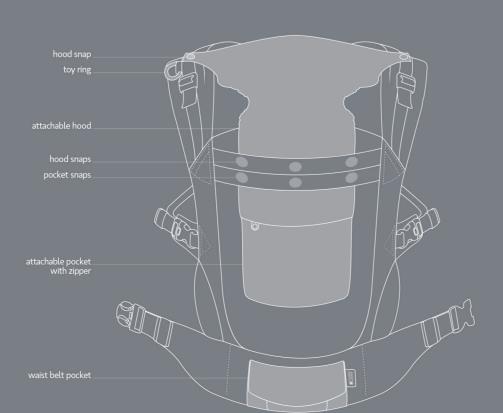

For better fit, loosen or tighten perfect fit adjusters on top of of each shoulder strap. Initially, assistance of another person is helpful

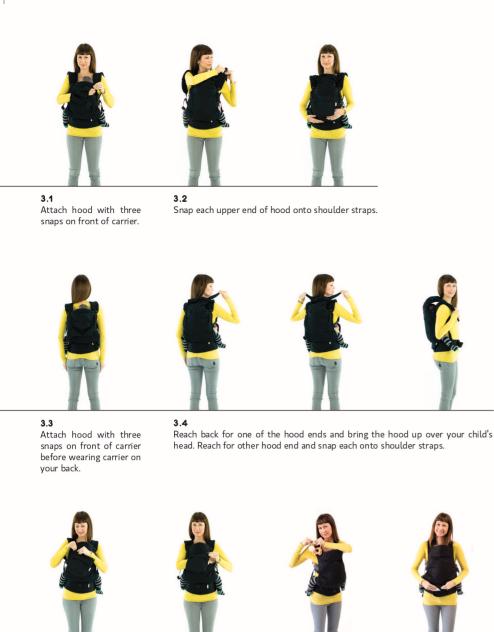

2.9 On each shoulder strap, roll excessive webbing up and secure with elastic band on the end.

# BACK CARRY

### SPECIAL FEATURES

## IMPORTANT! KEEP INSTRUCTIONS FOR FUTURE REFERENCE!

Read all instructions before assembling and using the soft carrier. Check to assure all buckles, snaps, straps, and adjustments are secure before each use. Check for ripped seams, torn straps or fabric and damaged fasteners before each use. Ensure proper placement of child in product including leg placement. Premature infants, infants with respiratory problems, and infants under 4 months are at greatest risk of suffocation. Never use a soft carrier when balance or mobility is impaired because of exercise, drowsiness, or medical conditions. Never use a soft carrier while engaging in activities such as cooking and cleaning which involve a heat source or exposure to chemicals. Never wear a soft carrier while driving or being a passenger in a motor vehicle. Your balance may be adversely affected by your movement and that of your child. Take care when bending or leaning forward. This carrier is not suitable for use during sporting activities.

#### **⚠ WARNING**

# **FALL AND SUFFOCATION HAZARD**

FALL HAZARD - Infants can fall through a wide leg opening or out of carrier.

- Adjust leg openings to fit baby's legs snugly.
- Before each use, make sure all buckles and adjustments are secure.
- Take special care when leaning or walking.
- Never bend at waist; bend at knees.
- Only use this carrier for children between 20 lb. and 60 lb/9 kg and 27 kg.

SUFFOCATION HAZARD - Infants under 4 months can suffocate in this product if face is pressed tight against your body.

- Do not strap infant too tight against your body.
- Allow room for head movement.
- Keep infant's face free from obstructions at all times.

Child must face towards you at all times.

Washing instructions: Machine wash cold. Air dry. Spot clean as needed. Avoid frequent washing. ASTM F2236-14, CPSIA, EN 13209-2:2005
