

FREE FEMA-CERT EMERGENCY SKILLS TRAINING IN SEPTEMBER 2018

The Community Emergency Response Team (CERT) Program uses a FEMA curriculum to educate people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist their families and others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT also participates in searches for missing persons, serves as coastal spotters for persons swept out to sea, storm response and other emergencies.

Learn These Skills and Many More:

Emergency Medicine
Use of a fire extinguisher
Disaster Preparedness
Shutting your utilities

Rescue
Communications when phones fail
Assessing your home or workplace after an earthquake or storm

Monterey CERT classes are open to everyone! You may enroll by sending an e-mail of interest to: training@montereycert.org You will receive a confirmation with class location and further details.

Classes are taught in downtown Monterey and begin Thursday, September 6th and continue each Thursday evening through October 18th. Class time each day is 6:30-9:30 P.M.

This class provides 24 hours of community service credit to High School Students!
