FREE EMERGENCY SKILLS TRAINING CERT Course in May 2024

The Community Emergency Response Team (CERT) Program uses a FEMA curriculum to educate people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist their families and others in their neighborhood or workplace following an event when professional responders are not immediately available to help. CERT also participates in searches for missing persons, serves as coastal spotters for persons swept out to sea, provides fire scene support, storm response and other emergencies.

Learn These Skills and Many More:

Emergency Medicine
Use of a fire extinguisher
Disaster Preparedness
Shutting your utilities
Rescue

Communications when phones fail
Assessing your home or workplace after an
earthquake or storm
Neighborhood search
Fire scene support

All classes are taught in downtown Monterey. Training is open to residents of the Monterey Peninsula area. Training occurs over three Saturdays, May 4, 11 & 18th. Time each day is 8:30-5. Sponsored by the City of Monterey.

Attendance at all three sessions is necessary to complete the training and graduate. To enroll, send an email to: training@montereycert.org
