

The **X1**, **X2**, **X3** and **X4** cables are UL rated 20AWG DC power extensions that are typically used to extend a power source to devices such as low voltage lighting and security camera systems - 12V DC or 24V DC for example. One end of the cable has a 2.1mm x 5.5mm male plug in with a molded plastic end for a secure attachment. The other end is a female 2.1 mm x 5.5 mm plug.

X1

PRODUCT SUMMARY

Color: Black

Length: 1m / 39.37"

Connector: 2.1mm x 5.5mm

Warranty: 3 Years

Ordering Code: X120

X2

PRODUCT SUMMARY

Color: Black

Length: 2m / 78.74"

Connector: 2.1mm x 5.5mm

Warranty: 3 Years

Ordering Code: X220

X3

PRODUCT SUMMARY

Color: Black

Length: 3m / 118.11"

Connector: 2.1mm x 5.5mm

Warranty: 3 Years

Ordering Code: X320

X4

PRODUCT SUMMARY

Color: Black

Length: 4m / 157.48"

Connector: 2.1mm x 5.5mm

Warranty: 3 Years

Ordering Code: X420
