

The Kaleida M4 TV Mount is a fixed, wall mounted bracket designed to universally fit TVs up to 70". The M4 is offset 1.7" from the wall, allowing cables to be easily accessed and leaving enough space for organization without sacrificing durability.

The hang and lock design makes installation quick and easy. As an added safety feature, it will support weights up to 165 lbs and is made from heavy duty, powder-coated steel.

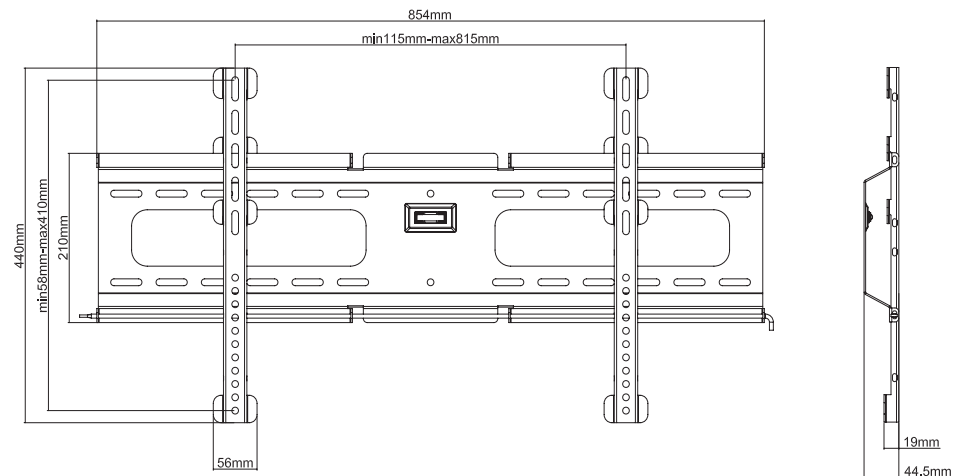

With exceptional features and a **limited lifetime warranty**, the M4 mount is the perfect solution for both commercial and home use.
