

## **Atch Attachments 'licence to print' rules**

1. Licence:
  - 1.1. You are purchasing the 'licence to print' this product, you do not in any way own this product, this licence does not allow you to alter the product.
  - 1.2. If you wish to make changes contact me as this can be arranged.
  - 1.3. You are not allowed to share these files under any circumstances.
2. Personal use:
  - 2.1. One (1) purchase of the 'licence to print', allows as many prints as desired for personal use only.
3. Commercial / commission use:
  - 3.1. It is acknowledged that people without 3D printers may need these files printed for them. You are allowed to be commissioned to print these files for a friend / commissioner under the following rules.
    - 3.1.1. For each single (1) commission you perform you need to purchase one (1) additional 'licence to print'.
    - 3.1.2. You may not charge more for the '3D prints' than the cost of the 'licence to print' the specific files in question, plus the cost of the filament used in the printing of the files.
4. Upon purchasing this 'licence to print' you understand and agree to the licence detailed above.
