

ETC Adapter Data Sheet

Main Features

- ETC Projection Lens Adapter for Spotlight Max
- Compatible with Standard and EDTL ETC Lenses
- Pair the Spotlight Max with an Expanded Selection of Projection Lenses with Various Beam Angles
- Durable All-Metal Build
- Packs Neatly into Spotlight Max Case

Target Audience

The ETC Adapter is a versatile lens adapter ideal for Spotlight Max users looking to use standard and EDTL ETC lenses with modern LED light engines.

For Spotlight Max users with existing standard and EDTL ETC lenses in their equipment kits, the Spotlight Max ETC Adapter offers a dual convenience: the ability to use projection lenses they already own and the ability to use these older lenses with modern LED technology.

Spotlight Max users looking for more specialty beam angles beyond the 19°, 36°, and 50° native Spotlight Max lenses will find the ETC Adapter to be a necessary addition to their toolkits.

The ETC Adapter offers an incredible amount of flexibility when it comes to projection lens choice, making it the ultimate tool to help Spotlight Max users achieve the projection adaptability they need on set.

Product Description

The ETC Adapter is a projection lens adapter that allows users to use standard and EDTL ETC Lenses with the Spotlight Max projector body.

This all-metal adapter allows users to pair the Spotlight Max with an expanded selection of projection lenses with various beam angles, including specialty projection lenses such as the ETC 5° Lens Tube.

The ability to use standard and EDTL ETC lenses with the Spotlight Max also means users can pair these projection lenses with modern LED Bowens mount fixtures, which have previously only been compatible with tungsten or HMI light engines. Now, users can enjoy the benefits of LED technology such as dimmability, color tunability, and lower operating temperatures while using ETC lenses.

The Spotlight Max ETC Adapter packs neatly into the Spotlight Max Rolling Hard Case, making transportation and storage a breeze.

Sales & Shipping Information

Product Name	ETC Adapter
SKU	APXF043A37
UPC	6971842186785
Packing Dimensions	18.7 x 18.7 x 14.0cm 7.4 x 7.4 x 5.5in
Net Weight	0.53kg / 1.17lbs
Gross Weight	0.77kg / 1.7lbs
Carton Quantity	12 pcs
Carton Dimensions	59.0 x 39.5 x 31.0cm 23.2 x 15.6 x 12.2in
