- **Cat out of the Bag Prosecco NV**  
The fruit for this Prosecco was sourced from the cool climate King Valley region in North East Victoria. Lovely fine beading ushers' delicate floral notes of orange blossom and jasmine to evoke the senses. The palate is lively with playful citrus notes with a crisp elegant finish.

### WHITE WINES

- **Yes said the Seal Sauvignon Blanc**  
The Sauvignon Blanc fruit was machine picked in the cool of the night and then immediately upon arrival in the winery was destemmed into our membrane press. The juice was settled, then racked to a stainless steel fermenter and inoculated with neutral wine yeast for fermentation. Half way through ferment all of the juice was run off into new and used French oak barrels to complete fermentation. The wine remained on lees for 6 months with occasional lees stirring.
- **Leura Park Estate *25 d'Gris* Pinot Gris**  
Classic pear, apple and nougat lift from the glass. The palate uncoils a wine of length and precision exhibiting rich flavours of pear, apple alongside hints of mineral and spice whilst retaining impeccable balance and a lovely, cleansing acidity.
- **Yes said the Seal Chardonnay**  
A fine, textured intense Chardonnay exhibiting restraint and tension. Grapefruit, lime, fresh stone fruit and sea spray with delicate whispers of oak. In the mouth the wine is a force of florals and citrus, green melon and a hint of kaffir lime. The standout is the structure and weight of the wine. Tantalising, truly mouth-watering acidity endows incredible tension and drive. Stunning now but will cellar beautifully and reward well into the future.

## ROSÉ

### Yes said the Seal Rose'

A vibrant and perfumed Shiraz Rosé revealing red berries, pink pepper and hints of spice. Intensely aromatic, rich and complex with a savoury twist.
