

**COWGIRL
CREAMERY**

Crafting delicious cheese from organic milk in Northern California since 1997

WE MAKE CHEESE WITH HEART

From our cheesemakers to our farmer partners, Cowgirl Creamery is passionate about dairy as a force for good. **Our mission: to craft delicious cheese from extraordinary milk in Northern CA.**

Ask anyone in the Cowgirl family why we do what we do, and the answer is clear. Our community of farmers, mongers, retailers, and other passionate food lovers inspires us daily to create our delicious and meaningful work.

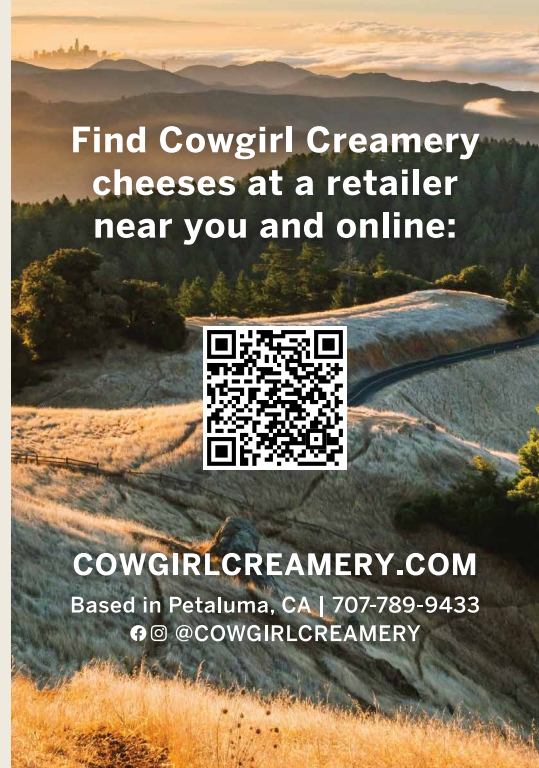

Local, organic milk from Northern CA, supporting healthy communities and sustainable agriculture.

Inspired and supported by our community of agriculture, dairy, and food-loving friends.

Crafting delicious cheese as a force for good and a brighter future.
