STRAIN AND PRODUCT GUIDE

OUR STORY:

»»»»»»»» Setting the Standard

Appalachian Standard is a veteran-owned, craft hemp farm nestled in the Appalachian Mountains of Asheville, North Carolina. Our hemp is greenhouse, field, and indoor grown in small harvests year-round by a team of experienced growers.

Appalachian culture is a way of life, and we set the standard. Keeping with the Appalachian farming traditions of early Americans, we are proud to be a part of this historic hemp rebirth and are excited to bring its many useful properties to you.

We are proud to bring you a full line of industry-exceptional CBD—from quality rollies to salves, stoke sticks, delicious edibles, and tinctures that make a difference, we've got you covered. When you purchase CBD from Appalachian Standard, you support a small business that is dedicated to quality and strive to raise the industry standard. We are so grateful for you. Stay stoked!

STRAINS

CHERRY MOM

Best for: Pain, Anxiety, Sleep Support

Here she is...everyone loves her...our sweet Cherry Mom! Her cannabinoid-rich buds have a deliciously fruity and sweet aroma that users love.
