

# TANITA® HD 325

It's How We Measure.

## BMR Capable Bathroom Scales

The HD-325 features 5 user memories to help you store your height during initial setup.

For each measurement, you only need to select your own user slot, then BMI reading will come up immediately together with your current body weight when you step onto the scale.

Tanita's precision bathroom scales are designed to the highest specifications. All Tanita scales and monitors come with a 5 year limited warranty.
