

# TANITA® HD 380

It's How We Measure.

## The World Leader in Electronic Scales

Tanita is recognised as the world leader in precision electronic scales within the medical, health and fitness market. The company's success and expanding global presence is the result of superior technology, research, unique design, and high manufacturing standards. With accuracy, innovation and durability that are trusted worldwide, Tanita looks beyond scales to produce products that enable consumers to monitor their own health with a quality product backed by extensive clinical research.

The HD-380 is a sleek ultra slim security glass bathroom scale, featuring an easy-to-read LCD display, automatic shut-off and kilo/pound/stone switch.

RRP \$59.95
