LUSTRE
BRONZE

DESIGNER EDITION

2024

WITH YOU FOR LIFE

A proudly Australian company, Meir stands as a global leader in tapware, reaching over 40 countries and partnering with more than 2000 retailers worldwide.

With decades dedicated to designing and manufacturing, we meticulously source the highest quality materials from around the world. That's why the Meir range is renowned for exceptional durability, as attested by our customers.

This is why we can proudly offer a lifetime guarantee on all our tapware. That's all parts, finishes, and components guaranteed.

So, when you buy Meir tapware, you know it will stay just as beautiful and be as functional for life.

COLOUR AND FINISH VARIATIONS

We use the highest quality materials in all our finishes, however products can vary in colour and shade. The luminous finish of metals provide a luxurious look, reflecting the lights and colours of the space.

Variations can be due to:

-  Comparison with sample discs and other flat surfaces.
-  Lighting and colour reflections in the installation location.
-  Different shapes from product to product.
