TRIUMPH SERIESTM

STEEL MESH

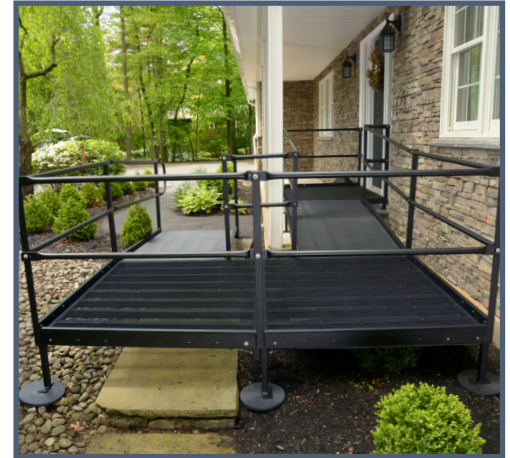

TRIUMPH SERIES™ STEEL MESH

National Ramp's Triumph Series™ Steel Mesh modular ramp is an economical option with the appeal of the open mesh design. The steel ramp features a textured finish for slip resistance and rigid cone-mounted handrail design for increased user safety. The powder-coated finish is more durable than painted ramps and comes standard in the handsome Tuxedo Black color.

RESTORE YOUR FREEDOM WITH NATIONAL RAMP TRIUMPH SERIES™ RAMPING

**MESH DESIGN
ALLOWS RAIN AND
SNOW TO DRAIN
THROUGH**

**POWDER-COATED
FINISHED STEEL
WON'T FLAKE OR
CHIP LIKE PAINTED
RAMPS**

**HIGH-TRACTION
WALKING SURFACE
IS SAFE
FOR ALL USERS**

*Ramp must be immediately painted if deeply scratched to maximize the lifespan of the ramp

**Residential use only
