OLD BRIDGE CĒLLARS

So, what's our story..?

Old Bridge Cellars is not your average liquor store, we are family owned and run which means every product and service we offer comes from our heart. We put great focus into supporting local and love seeing people explore new and exciting products.

We purchased the North Fremantle store over 12 years ago and have loved every moment of getting to know the locals and building an amazing community and customer base.

In 2021 we took a leap of faith and opened our second store in Como which has allowed us to expand the Old Bridge footprint further across Perth.

There's nothing more important than spending quality time with amazing people. Join us on this journey and appreciate the best things in life; food, drinks and people.

So, how does it all work...?

Over the years, we've learnt just what makes a function tick...and it turns out the key is having a steady flow of good quality, delicious drinks.

We have perfected our 'secret' formula to determine how many drinks you'll need for your function based on the number of guests, type of event and duration.

With this knowledge behind us, we've confidently supplied countless events across Perth and have a string of happy customers behind us.

Simply use the below formula to calculate an estimated price and remember all packages are fully customisable, you can substitute, minus or add products to your hearts content.

Package price X Number of guests X Duration of function = Rough estimate of total price

Some of our friends..

We've worked with some amazing people over the years.
Here's a few legends we regularly work with and can
vouch for their impeccable standards.

Testimonials..

We obviously think we're great at what we do, but here's some proof from our happy customers!

Katie Cameron:

We had such a positive experience working with Jay and Toby from Old Bridge Cellars for our wedding. Despite the challenges of coordinating a wedding across the Nullarbor (we live in Melbourne!), they made the process seamless and enjoyable. Jay has extensive knowledge of wines and worked with us on our timeline to help us find the perfect selection for our WA-based celebration.

Their level of expertise, coupled with their friendly, approachable, and honest manner sets them apart from other cellars. They took the time to properly understand our budget and our preferences, (ensuring a personalised touch to our beverage selection). If you're looking for an experience that combines expertise, affordability, and friendly vibes, we highly recommend Old Bridge Cellars. Thanks again for everything!

Lisa Ting:

It was an absolute pleasure working with Old Bridge Cellars for our wedding. Jay was so easy to contact and he gave great advice with what and how much to order. Everything was delivered and picked up on time. It was great not having to worry about this on the day! I would definitely recommend Old Bridge Cellars for any event.
