

KATHERINE DANIELS®

A guide to which cleansing product we recommend for each lifestyle

Micellar Face & Eye Make-up Remover

If you love:

- A fresh skin finish
- A light water texture
- Speedy cleansing
- A separate eye make-up remover
- Fragrance-free formulas
- The convenience of a wipe but want a better cleansing option

Cleansing Milk

If you love:

- A hydrated & revitalised skin finish
- A transforming texture of milk to fluid, a great option for a really deep cleanse
- The traditional cleansing & toning system
- A light, delicate fragrance
- An easy to dispense pump

Refreshing Cleansing Gel

If you love:

- A squeaky clean, mattified skin finish
- A concentrated gel to foam texture
- A lathering wash, ideal for use in the shower
- An option to share with all the family
- Soothing Aloe Vera

Miracle Cleansing Jelly

If you love:

- A soft, supple & velvety skin finish
- A new transforming texture from jelly to oil, to milk
- Effortless removal of longwear make-up & stubborn mascara
- Fragrance-free formulas
- Perfectly sized product for home use or on the go

Remember to use the super soft Katherine Daniels Micro Cloths to remove your cleanser of choice gently and efficiently

For a really deep cleanse and to help firm & sculpt the face, use the Deep Cleansing & Skin Rejuvenating System.
