

Features

1. 1.0MP Camera (720P resolution) with Aluminum Alloy materials
2. IP65 waterproof level with rain cover
3. IR LED light for better night vision
4. Illuminated doorbell button
5. Supply the power to the lock directly with external power supply
6. Support PIN Code and RFID Card to open the door

Specifications	
Model	I-HDC743KP
Camera sensor	1/4"CMOS, 720P, 3.7MM Lens
RFID Card	200 cards Max.
View angle	110 * (Wide Angle)
LEDs for night LED	IR LEDs(120°)
Power consumption	200mA Max.
Power Supply	External power DC12V
Conversation duration	180S
Operating Temp.	-40℃~50℃
Installation	Surface mount or Embedded mount
