STORIES to GATHER

Mansfield Street, Rozelle

‘CASA DI STORIES TO GATHER’ IS THE HEART *and* HOME OF STORIES TO GATHER. AN ELEVATED, INVITING SPACE TO HOST YOUR NEXT SHOWCASE, WORKSHOP *or* EVENT.

Our Rozelle Casa

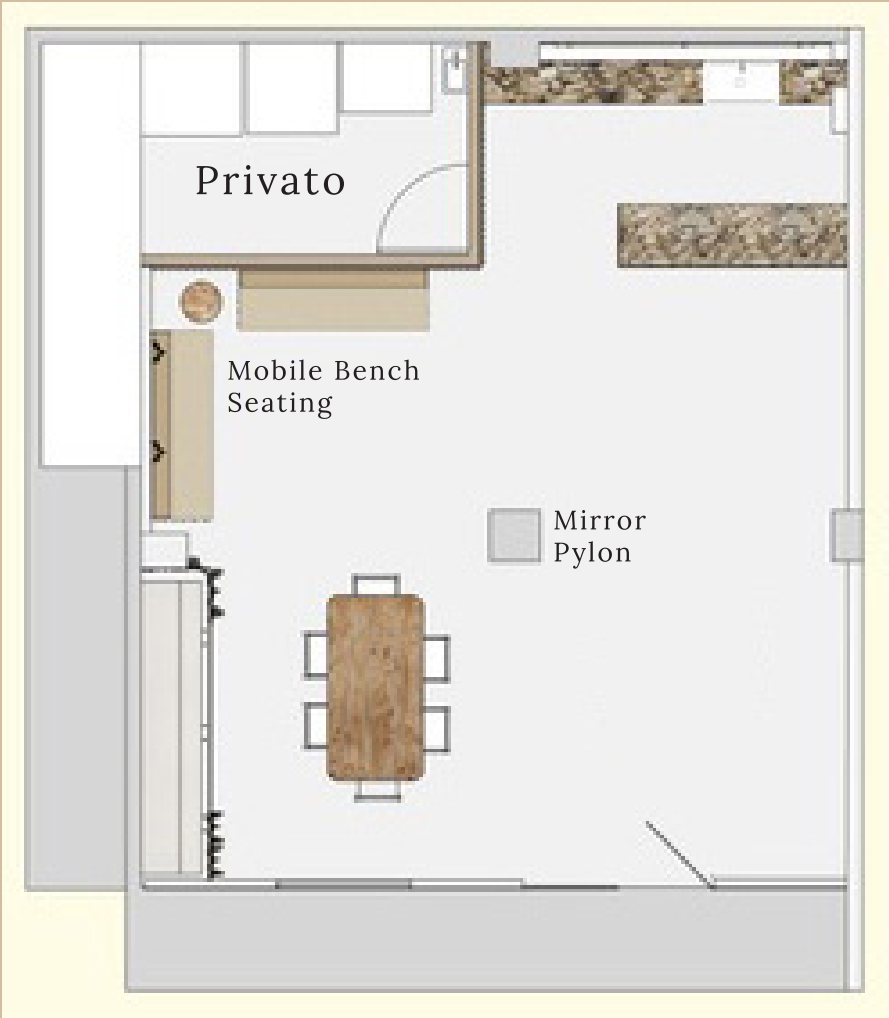

Casa di Stories to Gather is an intimate event space set amongst a quiet community of boutique businesses in Rozelle. As Stories to Gather has continued to evolve and bring people together over delectable tables of food, the creation of a space that would facilitate community & connection became a natural progression for the brand. Fitted out by The Make Haus, the space is an extension of The Stories to Gather aesthetic and is the perfect backdrop for those wanting to host an event away from home whilst still being able to inject a little of themselves into the space. The space can seat 6 guests comfortably and cater to standing groups of 40 guests. There is a basic selection of utensils, glassware and dinnerware available for up to 40 guests — and more available for hire for larger groups.

Grazing Boxes

Each of our grazing boxes are lovingly prepared and wrapped with a curation of the finest seasonal produce, premium artisan cheese, delectable accompaniments and irresistible handmade sweets. The grazing boxes are intended to be shared and can feed 4 - 12 people depending on whether it is intended as a refreshment or light meal.

Grazing Table

This styled service includes table decor and the best artisan produce the season has to offer. No two grazing tables we create are the same; we will work collaboratively with you to ensure the table celebrates your style and food preferences alongside passionate artisans to produce a luxurious feast. It is set up and packed down so all you have to do is enjoy the feast. (*We can also incorporate florals into the table - which you can source - or for an additional fee, we can make arrangements with a florist on your behalf.*)
