V&A

V&A Morris Leicester

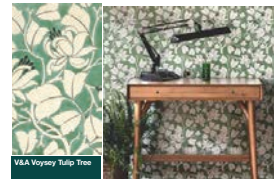

PastedPaper® is honored to be working with the Victoria and Albert Museum in London, England. Founded in 1852 to make works of art available to all, today the V&A is the world's leading museum of art, design and performance. The V&A and PastedPaper® share a mission to inspire creativity in all, making this a perfect collaboration. Both have a purpose to exhibit beauty and imagination by using the best visuals history has to offer.

PastedPaper® is NEW. Innovative. Worry-Free Wallpaper.

PastedPaper® completely re-thinks the concept of wallpaper. Our unique, convenient and easy-to-use, non-toxic sheets of high-quality wallpaper come directly to you with a strippable paste on the back.

- PastedPaper® is easy for anyone to put up.
- It's sold in individual sheets - not rolls.
- Each sheet has been designed to line up perfectly with the next sheet.
- Strips off easily. No scraping. You'll never be afraid of wallpaper again.

Best of all, it's available in timeless patterns from historically important designers such as William Morris, C.F.A. Voysey and William Kilburn - allowing you to easily bring timeless, unique and affordable elegance into your home.

PastedPaper® now has access to the largest archive of patterns and inspiring designs in the world. The V&A is the world's leading museum of art, design and performance. Founded in 1852 in London during the reign of Queen Victoria to make works of art available to all, today it provides a place of inspiration, discovery and learning through its mission to enrich lives through design. The museum's 145 galleries display the finest examples of the decorative arts from textiles and ceramics to sculpture and photography.

The V&A is renowned for its award-winning licensing program, creating beautiful products inspired by the museum's rich archive. PastedPaper® is honored to bring its designs from the collaboration with the V&A directly to your home.

PrePasted Paper Sheets for Covering Your Walls & More

## Julie Campbell

**PastedPaper®** was founded by serial entrepreneur Julie Campbell. She has been involved in the wallcovering industry since 1995, and has 25+ years of experience as a business owner, product developer and creative director for national and international brands.

The launch of **PastedPaper®** is the culmination of her deep experience in wallpaper aesthetic, manufacturing, and sales, along with her long-time love affair with color, pattern and paper. Her mission is to create products that make people feel good about their homes.

**PastedPaper®** eliminates wallpaper fear, and brings affordable, fresh and elegant wallcovering to all, while revolutionizing the wallpaper industry.

Julie has gone to great lengths to keep all **PastedPaper®** design, production and manufacturing within the USA – helping to make jobs for Americans as well as creating the most beautiful American home interiors.

# Finally. Worry-free Wallpaper.

## Intuitive Individual Sheets - Not Rolls

PastedPaper® is easy for anyone to put up. It's sold in individual sheets - not rolls. Each pattern has been designed to line up perfectly with the next sheet, creating an overall seamless repeat pattern. There's no guessing or frustration. Even your kids can do it!

## Easy to Install & Remove

Each sheet of PastedPaper® comes with paste already on the back. With a little water and a paper towel, you can cover an accent wall in less than an hour. Want to remove it? No problem! It can be removed without scraping or any hassle - letting you change to a new PastedPaper® design whenever you want.

## Responsibly Sourced, Not Vinyl

PastedPaper® is made with non-toxic, responsibly sourced paper. There's zero toxic vinyl or sticky adhesives. You can feel good about putting it in every room in your home - even baby's nursery.

## Versatile & Adaptable to Any Home

From French Country to Modern to Farmhouse or Traditional - no matter what the style is of your home décor, PastedPaper® is highly versatile and a perfect fit. Each of our designs has been carefully created, reviewed and selected to be timeless, elegant, fresh and adaptable. Each historic pattern, as represented in our product photos, looks breathtaking in any home.

# What Makes PastedPaper® Completely New and Different?

- It comes in sheets – not rolls
- It's non-toxic paper – not vinyl
- So easy to use – even your kids can do it
- Each design is based on timeless and antique artwork from the collaboration with the Victoria and Albert Museum.
- You can wallpaper a room in hours – not days.
- It comes with non-toxic adhesive already on the back – just add a little water.
- Simple to line up each sheet and apply for a fool-proof design.
- Easy to remove without scraping, allowing you to change designs whenever you feel like it.
- It is versatile and adaptable to any style home décor.
