

Bench Project Instructions

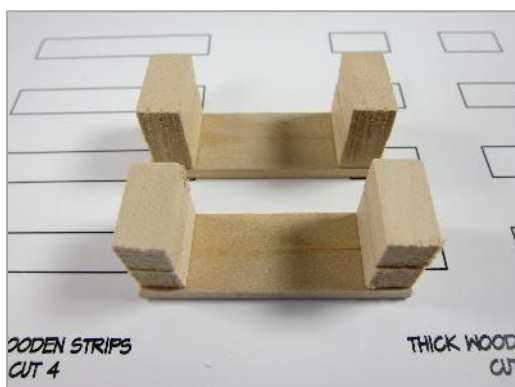

Step 1: Prepare blueprint on foam core board with wax paper.

Step 2: Measure and cut all pieces using thick sticks or thin strips according to blueprint.

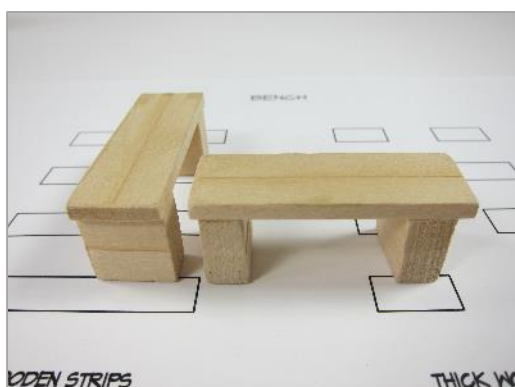

Step 3: Use Elmer's Glue All to secure two thin strips to make one bench seat, repeat to make second bench seat. Allow to dry one hour.

Step 4: Glue two thick sticks to make one bench leg, repeat 3 times. Allow to dry one hour.

Step 5: Align two bench legs to each end of a bench seat. Glue in place. Allow to dry one hour.

Project complete! Your benches are ready to add to your H4B House or Barn.
