Features and Benefits

Chlorine Reduction

Reduces Chlorine From Shower Water

Vitamin C helps removal of trihalomethane and residual chlorine in tap water.

Vitamin C

Vitamin C Replenishment

Contains Vitamin C concentrate that promotes healthier hair & skin.

Aroma

Aromatherapy Effect

Natural aroma oils provide an uplifting scent which enhances relaxation and alleviates stress.

Negative Ions

Generates Additional Negative Ions

With our innovative triangular spray plate holes, Aroma Sense shower head generates up to 421,000 negative ions/cc (equivalent to a waterfall) to revitalize your mind & body.

Water Pressure Boost

Increases Water Pressure

Our innovative technology provides optimized water pressure about 1.5 times more than a well branded shower head.

Product Composition

AS-M-HH

AS-L-HH

AS-PRESTIGE

In areas where tap water contain excessive amounts of contaminants, it is best to replace the micro fabric filter from the shower head or wash the micro fabric filter regularly to avoid build up and/or interruption of water flow.

How To Install The Shower Head

- 1 Turn off the faucet.

- 2 Separate shower head from hose by twisting counter clockwise.

- 3 Assemble new shower head on the hose by turning it clockwise and fasten until tight.

- 4 In case water leakage is found between shower head and hose, fasten items after putting the enclosed o-ring inside the hose.

When To Replace Aroma Vitamin C Cartridge

- Replace cartridge when yellow color inside cartridge turns clear (approx 30 - 45 days).
- Check cartridge if you cannot smell aroma when in use.
- Each cartridge lasts about 30 - 45 days depending on usage.

How to Replace Aroma Vitamin C Cartridge

Aroma Sense Shower Head

1. Unwind the top handle part of the shower head by turning it to the left and remove the used cartridge.

2. Insert a new cartridge back in place and assemble in reverse order.

Cautions

The life of the aroma vitamin C cartridge and micro fabric filter differs and depends on the usage of each individual.

Be sure to comply with the instructions specified below.

AROMA VITAMIN C CARTRIDGE

1. Do not use excessively at water temperature of 140°F for more than 5 minutes as cartridge may be damaged.
It is advised not to drastically switch water temperatures, but rather slowly adjust water temperature for effective use.
2. Remove the cartridge from shower head, seal it and keep it in a cool place when not in use for a long time.
3. Do not use the cartridge if damaged or broken.
4. Keep cartridge out of direct sunlight and in cool or room temperature.

MICRO FABRIC FILTER

Replace or frequently clean the micro fabric filter as debris or foreign contaminants cause water stream to be scattered.

How to Clean Micro Fabric Filter and Watering Plate.

Turn cap to open.

Separate spray plate from water cap.

Wash micro fabric filter in running water.

Wash spray plate in running water.

Place spray plate inside cap, insert O-ring and assemble.

Check flow of water.

Cautions

1. Use only tap water.
 - The use of industrial water or heavy water may cause skin damage and dermatitis.
2. Check if there is any leakage in the joint areas after installation.
 - Insert a rubber packing in the joint areas.
3. Use only for showering and washing purposes.
4. Do not put shower head in the bathtub or basin for a long time.
5. Do not apply excessive force when assembling shower head. Discontinue use if the shower head has been broken.
6. Stop using if skin trouble is detected. Do not use vitamin scented cartridge if you have an allergic reaction to the fragrance.
 - If you are allergic to fragrance or Vitamin C, the use of filter may cause skin problems like hives, itching, rashes, eczema, etc.
7. Do not use benzene or paint thinner when cleaning the product.
8. Company is not liable for any damages as result of use of Aroma Sense shower head & Vitamin C cartridge.

* This product is designed for showering purposes only. Do not use for any other purpose other than specified or designated in the instruction manual.

Specifications

Product Name	Aroma Sense
Model No.	AS-M-HH / AS-L-HH / AS-PRESTIGE
Material	ABS & Chrome + Stainless Steel
Origin	Made in Korea
Temperature for Use	Maximum : 176 F / Minimum : 59 F
Company	Opus International LLC

* The product specification is subject to change for product improvement without prior notice.

Warranty Certificate

We warrant to replace the defective product if requested within seven (7) days from the date of the original purchase and to repair the defective product for free within a one (1) year period from the date of the original purchase. Customer must show receipt. (The transportation cost to/from our service center will be paid by the customer)

Product Name	Aroma Sense	Warranty Period
Model No.		Within one year from the date of the original purchase
Date of Purchase		
Place of Purchase		
Customer Name		
Address		
Telephone		

* Replacement or warranty repair of the defective product will be void in the following cases.

- Defects or damages caused by external impact or drop.
- Defects caused by failure to comply with the instructions specified in the instruction manual.
- If filter was soaked by water after opening the box.
- Defects of the product passed more than one year from the date of purchase.

[illegible]

This image shows a full page of blank, lined paper. It features approximately 20 evenly spaced horizontal blue lines across its entire surface, typical of standard notebook paper. The lines are uniform in color and thickness, providing a guide for handwriting. There are no margins, text, or other markings present on the page.
