FABRIC

ADVANCED RECYCLED VITA POWER XTRA LIFE LYCRA®

The latest trend in swimwear and sustainable fashion. 100% regenerated nylon fiber from pre- and post-consumer materials. It resists fabric breakdown more than 5 times longer than your average chlorine-resistant spandex/lycra. Thanks to its innovative construction it is also more chlorine resistant than your average swimwear fabric.

Requests for garment design changes and customisation must be made before order confirmation. May incur an additional cost.

Orders MUST be in increments of 3 or higher, per size, per colour, per garment style to receive wholesale price.

Single garments, not in increments, will be charged at the retail price.

MINIMUM 3 garments per size, per colour, per style for wholesale prices.

Prices are listed in AUD. Prices above are excluding GST.

Prices valid from 1st March 2019. Prices are subject to change without notice.

Prices listed are for garments only. Logo prices listed separately. Logo orders may incur a once off setup fee.

ORDER PROCEDURE

Listed are our ordering procedures for all customers to make ordering smooth and to eliminate any delays.

Step 1

Orders MUST be in increments of 3 or higher, per size, per garment style to receive wholesale price.

Single garments, not in increments, will be charged at the retail price.

MINIMUM 3 garments per size, per colour, per style for wholesale prices.

Step 2

Email your order.

You will receive a confirmation email with your order set out on one of our order forms with important details such as quantities, colours, logo placement etc. If you don't receive this order form please phone to ensure we have received your emailed order.

Once we have a return email approving your order, colours, logo etc. we will then email an invoice.

50% deposit on ordering and remainder to be paid prior to dispatch.

21-28 day turnaround, unless otherwise stated (from date deposit is received).

Changes to your order must be in writing via email prior to commencement of production.

You will need to supply artwork for logos and the colours you require them to be, preferably a pantone colour code. If Pantone colours are not supplied K-Lee designs relinquishes all responsibility for incorrect colours.

Logos can be added with most placements you require depending on the garment.

Logos can be in a diamante design, embroidered, or screen-printed.

Colour may vary slightly with dye lots.

Step 3

Your Order is manufactured then dispatched to you via couriers or Express post.

Step 4

We will email you a week after you receive your order to check that everything arrived safely.
