IMPORTANT NOTICES

All items are sold as is – where is, without warranty or guarantee.

ALL BIDS FINAL. ALL SALES FINAL. NO REFUNDS OR RETURNS.

All items must be paid for by the end of the sale.

Lots are described individually with an estimated retail value and daily markdown. The “Retail Price” column in the catalog reflects the suggested retail price from the manufacturer or estimated retail price offered for sale in the appropriate retail marketplace for that item if the piece were in new condition. Placing a bid on an item secures that item unless someone bids an earlier day. It is considered sold for the highest bid.

We reserve the right to correct any errors and/or make revisions before, during and after the sale.

All weights are estimated except where noted that the stones were removed and weighed.

Diamond grades shown are best opinion of Margaret Gronberg, G. G. However, there would be no significant variation of value plus or minus one grade for color and/or clarity, which is professionally acceptable as accurate.

Colored stones may be treated by one or more of several processes including but not limited to oil, resins, or heat. The Jewelry Gallery makes no warranty whatsoever to the buyer as to status of any colored stone.

Cultured pearls may be treated by one or more of several processes including but not limited to bleaching and dying. Where known, treatment or lack of treatment will be noted. Otherwise, The Jewelry Gallery makes no warranty whatsoever to the buyer as to status of any cultured pearl.
