Domestic Production

GIPTA keeps improving since 1984 and being one of the leading industrial enterprises of Turkey, with its "If we stop, we fall" mentality.

After entering to packaging business in 2009, GIPTA became an important element of the sector with its qualified service and innovative designs. Now, GIPTA produces not only for Turkey but also for all the world.

Innovation

Each year, our design team travels all around the world to search the the trends and new materials, to follow the world fashion and affections. GIPTA always aims to present the better, functional and innovative products with its 34-year-experience for your taste.
