Drip, Drip, Drizzle.

Eliminate waste

Purchase larger bottles or packages of soap, shampoo, and conditioners to cut down on the amount of plastic bottles you use.

Cut down on clutter

Sick of tripping over bottles? So were we. Drizzle is small enough to stay out of the way, but big enough to hold all your cleaning essentials.

Easy to install

Whether for personal or commercial use, no tools are required. Double sided tape and glue adhesive is included.

Safety Precautions

If using the glue/adhesive, use in a well ventilated area. Be sure to wear gloves and wash hands after use. Adhesive may cause an allergic skin reaction. If skin irritation or rash occurs, get medical advice/attention immediately. Take off contaminated clothing and wash it before reuse. Dispose of contents/container in accordance with local laws and regulations.

Install with Tape & Adhesive (both required)

For installation with screws, please see Pages 6 & 7

**Note: If the desired location has an uneven surface level it is recommended you use the screw-installation method Pages 6 & 7.
