

## CONTENTS

Each page consists of a practise letter, first in lower case letters then in capital letters.

The letters are in the following order:

but could be taught in any order.

lhbk
irnmjp
coadgq
sfe
uytvwxz

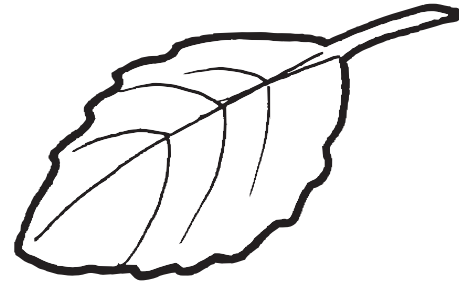

The capital letters are in alphabetical order and each letter has a block where learners draw a picture starting with that letter of the alphabet. Instead of drawing, the learner could also paste a picture in the block.

**THIS IS NOT A PHONICS BOOK, BUT A WRITING BOOK:** the pictures and words used are relevant to the letter of the alphabet taught and not the sound it makes.

**THIS BOOK CAN BE USED AS A HOMEWORK BOOK.**
