Celebrating 70 Years

RUTHERFORD

— est. 1952 —

Welcome to our new catalogue.

It has been another interesting and challenging year for us all.

At Rutherford we have met the challenges by pushing ahead with a new store opening and the production of this special anniversary edition catalogue. Thank you to our clients who have supported us this year - with a purchase, a kind word or some positive feedback. Thank you to our staff who have faced a challenging year of opening and closing stores and all the difficulties this has entailed.

Rutherford 70th Anniversary

In 2022 we will be celebrating 70 years since my father, Bruce Rutherford, opened his first store in Yarrowonga in 1952.

My father always had a passion for jewellery, antiques and retailing. This desire took him on a journey of stores in country Victoria; training at Sotheby's in London; becoming Sotheby's Australian representative; holding their first auction in Australia at the Sydney Opera House; and finally opening his own store in Collins Street Melbourne.

His passion and values, along with his business drive, are a great part of our business 70 years on.

I joined my father in 1988 and learned the trade beside him. These were memorable years as we expanded and grew the business together.

Along the way we have had stores in Bourke Street, in several different locations along Collins Street, and in 2008 we opened our first store in Camberwell.

Over the years, most members of our extended family have assisted or worked in the business, whether on the shop floor or in the background. It has truly been and continues to be a family business. More of our story can be found on the About Us page on our website.

Some of our clients have been with us for all or a great part of this journey. From time to time someone will say, "we bought our engagement ring from your father in Yarrowonga"

Front Cover

Feather Brooch in Platinum with an estimated 13.50ct of Diamonds \$42,500

Back Cover

Antique Micro Mosaic Earrings \$6,500

or “my parents have shopped with Rutherford for years and my partner and I are here to find our engagement ring”. This means so much to us and reminds us of the connection we have with people over their lifetimes. We share engagements, weddings, births and other memorable anniversaries and occasions. It is such a joy and a privilege to be a part of those significant celebrations and to journey with clients through the generations.

New Camberwell Store

The goal to expand our Camberwell store was in place for some time before Covid arrived. We were pleased to open the new store on 17th April 2021.

The design and inspiration come from the beauty and timelessness of our antique jewellery and pearls. The front, in particular, is inspired by Art Deco shop fronts of the 1920s and the steel gates echo the shape and design of the famous Chrysler Building in New York. Inside you will find a carefully balanced mix of antique and modern décor. My wife Siân, who manages the store, would love to welcome you in.

Our 70th Anniversary Catalogue

Over the last 12 months we have been working on creating our best catalogue yet. On the pages that follow you will see pieces we have held aside for many months such as the impressive antique cushion cut and old European cut diamonds, each in excess of five carats, featured on page 7. Lovers of French antique jewellery will find a beautiful emerald clasp, an elegant pair of Art Deco drop earrings and some wonderful diamond and sapphire pieces. Our kunzite pendant and blue tourmaline suite of jewellery will appeal to gemstone enthusiasts and we have included more brooches this year than ever before! On our pearl pages I have released a personal collection of large, unique loose pearls. I have been building this collection for nearly five years. It has been a joy to collect these stunning pearls and I look forward to seeing where each one goes and how it will be worn.

On behalf of Siân and myself, I would like to thank you, our clients, for the journey you have shared with us. We thank our family members for the support and encouragement they have given along the way. And we would also like to especially thank our team of gifted and dedicated staff who have made this all possible.

Wes and Siân Rutherford
