1-Light Polished Nickel Sconce/Vanity

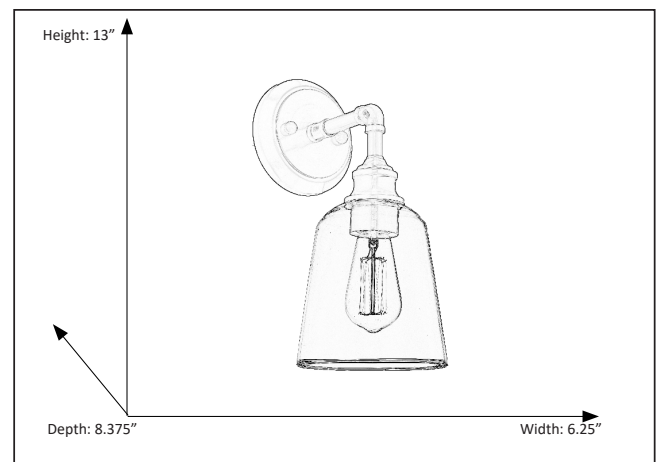

Description

The Milla sconce/vanity light features clear glass shade and a polished nickel metal frame. This sconce can be used for bathroom vanity lighting and offers reliable illumination with an industrial design. This model uses (1) 60 watt medium base bulb. For even brighter lighting, try using one of our LED replacement bulbs. The clean lines of the frame add interest while the clear glass shade give a unique look to the light, enhancing many spaces. The Milla is conveniently sized for interior design purposes and works well with both traditional and modern schemes.
