Cleaning & Care:

- ✓ For daily cleaning, wipe with a clean, soft sponge with mild detergent and warm water. Rinse completely and wipe down surface dry with a microfibre cloth.
- ✓ For harder to clean stains, we recommend using an equal-parts water and bleach solution or non-abrasive cleaner. Rinse thoroughly after cleaning and dry with microfibre cloth to restore its original shine.
- $oldsymbol{X}$ Do not use harsh abrasives or cleaners containing ammonia or alkalis
- X Do not use scouring pads, steel wool or abrasive powders
- X Do not use paint removers, oven cleaners or aggressive solutions

All measurements in mm and a guide only. Fine fireclay is a nature product and therefore is subject to variations. Variations +/- 2% to the specifications are common and acceptable and are within industry tolerance. The actual sink or basin MUST be onsite to measure before making cabinetry or cutting stone.
