

MARTY MUSIC USER MANUAL

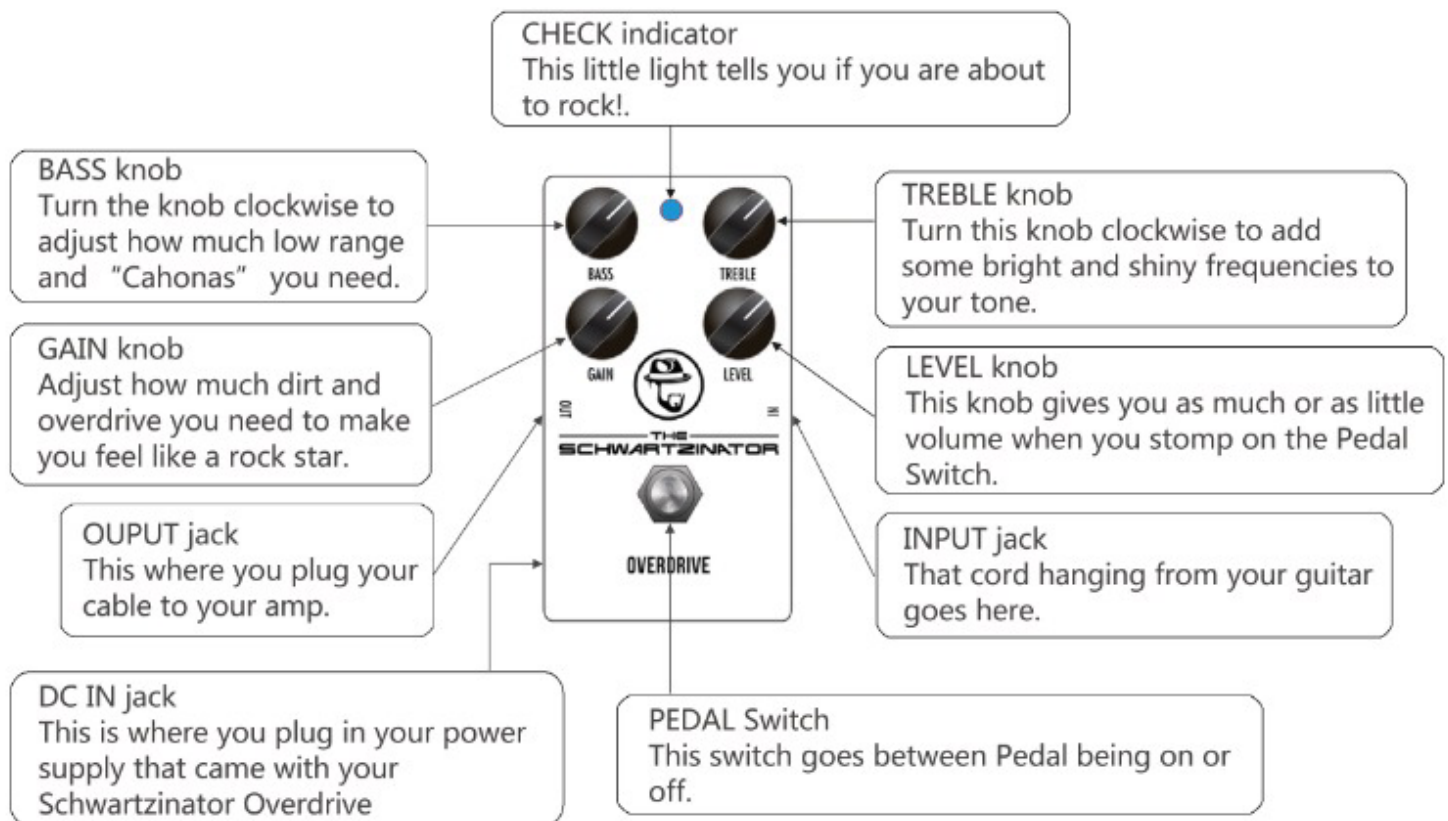

**THE
SCHWARTZINATOR**

—overdrive pedal—

Schwartzinator User Manual

The Schwartzinator Overdrive Pedal combines all the best of what I look for in an overdrive pedal. I wanted to create a very dynamic pedal that will respond to how hard or soft you pick along with the ability to get a wide range of tones and overdrive. With The Schwartzinator you can go from a slight boost to a crunchy tone to a searing solo worthy of a stadium full of fans flashing their cell phones.

- Material: Aluminum Alloy
- Color: Fiesta Red
- Power Requirement: 9V DC Center Negative
- Current: 30mA
- Dimensions: 4 1/2" x 2 1/2" x 1 1/4"
