

# TWO WORLDS COLLIDE

## Artistic furniture facelift

### Artistic Furniture Facelift

Master mixed media artist Christina Lovisa has deep roots in the furniture facelift world. In fact, she and friend had a ahead-of-its-time furniture business called AFW - The Artsy Fartsy Workshop (25 years ago!). **This art photo-buffet project teaches techniques that translate into mixed media fine art projects** including; large format printing, large format collage/gluing, furniture cleaning and prep, chalk-painting, distressing and wax finishing.

Beginner - Advanced

#### Materials List ([www.acuratednest.com](http://www.acuratednest.com))

▶ Furniture piece with a flat surface.

- ▶ ModPodge + Wallpaper paste
- ▶ Tools: brushes, knife/scissors, sandpaper/sanding block/baby wipes, scraper/plastic card
- ▶ Bucket with hot water and sunlight soap with a cleaning sponge. Towel for drying.
- ▶ Colour prints on bond paper (regular weight paper) of your art (laser or inkjet is fine).
- ▶ Chalk paints in assorted colours.
- ▶ Subject matter images; these are prints of **full figure** elements that can be cut out - above is diver and goose.
- ▶ Optional; Fine collage, tissue paper and napkins, book text etc...
