## 2015 New Measure Poetry Prize Winner

**Hannah Craig**, *This History That Just Happened*  
Selected by Yusef Komunyakaa

“Hannah Craig’s *This History That Just Happened* places the reader at the nexus where rural and city life converge, bridging a world personal and political, natural and artful, in a voice always uniquely hers. Every word here is earned. And little, if anything, escapes this poet’s heart, mind, or eye. History works through a keen imagination. These poems make us feel and listen differently, and images coalesce line by line and dare us to reside where fierce empathy and beauty abide.”

—Yusef Komunyakaa
