Creative Opportunities for the “Hold Onto Cross™”

Fundraisers – Our crosses are ideal for every type of fundraising, from general funding to church members in need to special events to capital improvements.

Vacation Bible School – How great would it be to send every child home with his or her own cross? This would make VBS a long-lasting experience and reinforce the VBS teachings. Imagine children going home and asking their parents to pray with them.

Mission Trip Fundraisers – We have seen a lot of well-intended people struggle to fund their trips. Our crosses serve as an incentive to donate toward trips as well as a sincere thank you for donating.

Youth Ministries – Our crosses are a great way to raise funds for youth ministry activities as well as to encourage youth participation in fundraising.

Member Donations – You can encourage your members to donate a case of 18 or 36 crosses to your organization and then you can select the most impactful uses for them.

Gift Shops - Our cross is an ideal item to offer and it provides a 70% profit margin.

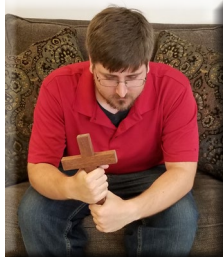

Mission Work Worldwide

We believe strongly in the power of prayer for mission work. The power of prayer instills hope, love and peace in our hearts. A personal relationship with Jesus Christ supports us through the trials of everyday life and the cross is a constant reminder of our Lord's sacrifice and unconditional love.

Imagine the impact of a missionary jointly holding the cross with someone learning about the love of Jesus Christ, and then releasing the cross into their hands to keep and pray with after the missionary departs. The strength and presence of our Lord would be in their hands every day thereafter.

They would never be alone again!

Have a Blessed Day!

Galatians 2:20

I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me.
