

DEPIXYM[®]

WHO ARE WE?!

Makeup should be fun, it's all about creating the version of yourself that you want to be! Al & Vic created Depixym after working in the beauty industry for years & getting frustrated at the negativity & lack of representation. What is make up after all? A product you wear, no matter who you are, where you're from or what you do, just have fun with it & BE YOU!

COSMETIC EMULSIONS -HOW DO I USE THEM?!

They do it all... Whether you want a longwear eyeliner, a matte lipstick, a blush, a foundation, a fierce brow, contour, mascara, body paint or hair paint – Cosmetic Emulsions have got your back! Use thin brushes for more detailed looks (liner, lips etc) & fuller brushes to blend colour out (for blush/eyeshadow etc).

Longwear, high pigment, all over use, vegan, cruelty free, non transfer & waterproof – Cosmetic Emulsions are all you need for Spooky season & beyond! You can mix them together to create your perfect shade, customise and create your own finishes with a mixing medium or oil, or layer them with a gloss to give them a wet look. YOU DO YOU

A COSMETIC EMULSION IS NOT JUST FOR HALLOWEEN...
