Product Features

- Compatible to Android operation system 4 and above
- Bluetooth music play through
- Bluetooth hands-free calling (single sky alarm optional)
- Connections for external speakers (3.5 stereo plug)
- Connections for USB powered devices
- Efficient and stylish design

Product Description

- Bluetooth Speaker
- 1 USB 2 port
- 1 Micro SD
- 1 Aux-in
- 1 Power Cord with Plate Through Plug (US version)
- 1.8m 2.5 Amp Power Cord (EU/UK version)
- 1 Charging Cable
- 2 Wood Screws
- Security C-Clamp

Technical Specifications

Continuous Duty Electrical Rating	**Working Temperature**
100-240V~50/60Hz 1.5A MAX	0°C - 35°C
24 V⎓ 1.5A MAX (100-240V~50/60Hz 1.5A 50/60Hz)	**Power Cord**
Powered USB Output	1.8m 2.5 Amp 16AWG 2-line
Single USB-C Output(5V⎓ MAX)	Version US:Plug-in Type A
5V⎓=3A / 9V⎓=2.5A / 12V⎓=2.0A	**Housing Material**
Single USB-A Output (5V⎓ MAX) = 2.4A	UL94V-0
Duplex Port Output (USB Max)	
USB-C Output (20W Max): 5V⎓=3A or 9V⎓=2.2A or 12V⎓=1.67A	**Working Surroundings**
USB-A Output (12W Max): 5V⎓=2.4A	Indoor Fixed Mount

Wireless Charging Output

Up to 10W

Wireless Charging

Charging Frequency: 110-205kHz
Charging efficiency: ≥ 75%

EN/RFI Filtration

100kHz-1000MHz up to 40db

Safety Standards

Important Safeguards

- Ensure the unit is plugged into an AC 100V-60Hz outlet (US version) 100-240V-50/60Hz (EU and UK versions). The use of incorrect mains could cause the unit to malfunction or overheat.
- To reduce the risk of fire or electrical shock, do not use this device with a receptacle in which the blades are exposed. Do not use an extension cord.
- Do not allow children to operate the unit without adult supervision.
- Do not place the unit on a soft surface such as a bed or sofa, which could block the ventilation openings. Keep the power cord and product away from heated surfaces.
- Do not use the unit near water, for example near a bathtub, kitchen sink, or laundry tub, or in a wet basement. Do not expose the product to rain or moisture. Do not submerge the unit in water or other water-related products.
- Do not use the unit near water or other liquids. If product falls into water, immediately unplug it from the mains socket.
- Do not put any stress on the power cord where it connects to the product as the power cord may become damaged.
- Do not attempt to disconnect the product via/from the electrical outlet with a wet hand.
- Do not attempt to repair the product if it is damaged or put power cord or product in contact with hot surfaces. Do not attempt to repair the product yourself. Only qualified service personnel should perform the service.
- Do not use the unit if the power cord is damaged or frayed or if there is damage on the product. Product should only be used without modification to the product.
- Working Temperature: 0°C - 35°C

Limited 1 Year Warranty

Products are covered by Brandsland against manufacturing defect in material and workmanship under normal use for one year from the date of purchase. Defective products will be replaced with the same or comparable product.

Return Policy

For a refund or exchange, products must be returned within 30 days of original purchase date. Products must be returned in the original packaging. Proof of purchase is required. Any scratches and specific modifications you've made to the product will void the return policy. Products must be returned in the original packaging undamaged, clean and brand-new condition. Products that are incomplete, damaged or show signs of use will not be refunded. Refunds will be issued to the original form of payment. Original shipping charges will not be refunded. Customer is responsible for the cost of returning the item. Refunds will be issued within 10 days of receipt of the returned item. Refunds will be issued for the date the product is returned. Delivery charges and customized products are non-returnable.

Disclaimer of Damages

In no event shall Brandsland Products, or its suppliers, be liable for indirect, incidental, or consequential damages, loss of profit, loss of use or data, or interruption of business, whether based on contract, tort, or otherwise, arising out of or in connection with the use of or inability to use the supplied material, or the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

Battery Handling and Usage:

WARNING: Only use approved rechargeable batteries. Do not allow a child to use the product unless Battery Compartment Cover is securely attached to the Battery Compartment in accordance with the following instructions.

- Insert batteries according to the polarity (+ and -) indications.
- Keep batteries away from children and pets.
- Do not mix old and new batteries or batteries of different chemistries or sizes.
- Insert the batteries properly as indicated in the product and recycle the batteries.
- Do not short-circuit the battery terminals.
- Remove completely discharged batteries when not using the product for an extended period.
- Never throw batteries in a fire. Do not expose batteries to excessive heat or direct sunlight.
- Dispose or recycle spent/damaged batteries in compliance with all applicable laws. For detailed information, contact your local solid waste authority.

The Brandsland Difference

CubeDuo+ complies with ULI62368-1
IEC62368-1, EN62368-1 (CE and UK Regulations)

Liquid Spill Testing
The Brandsland CubeDuo+ was designed for and successfully passed a UL liquid spill test conducted by an ETL testing lab.

Pass Through Power: UK version only
The pass-through plug with fuse protects whether device (i.e. lamp or alarm clock) to be plugged into the same wall outlet used by the Cubie Product.

CubeDuo+ complies with the WPC (Wireless Power Consortium) Qi Standard
