Long Silver Poles (L)
outline windows

BFD set up

Expand the tent body and install the pole ends:
Long Silver Poles into grommet straps marked (L) and
Silver and Gold Poles into grommet straps marked (M).

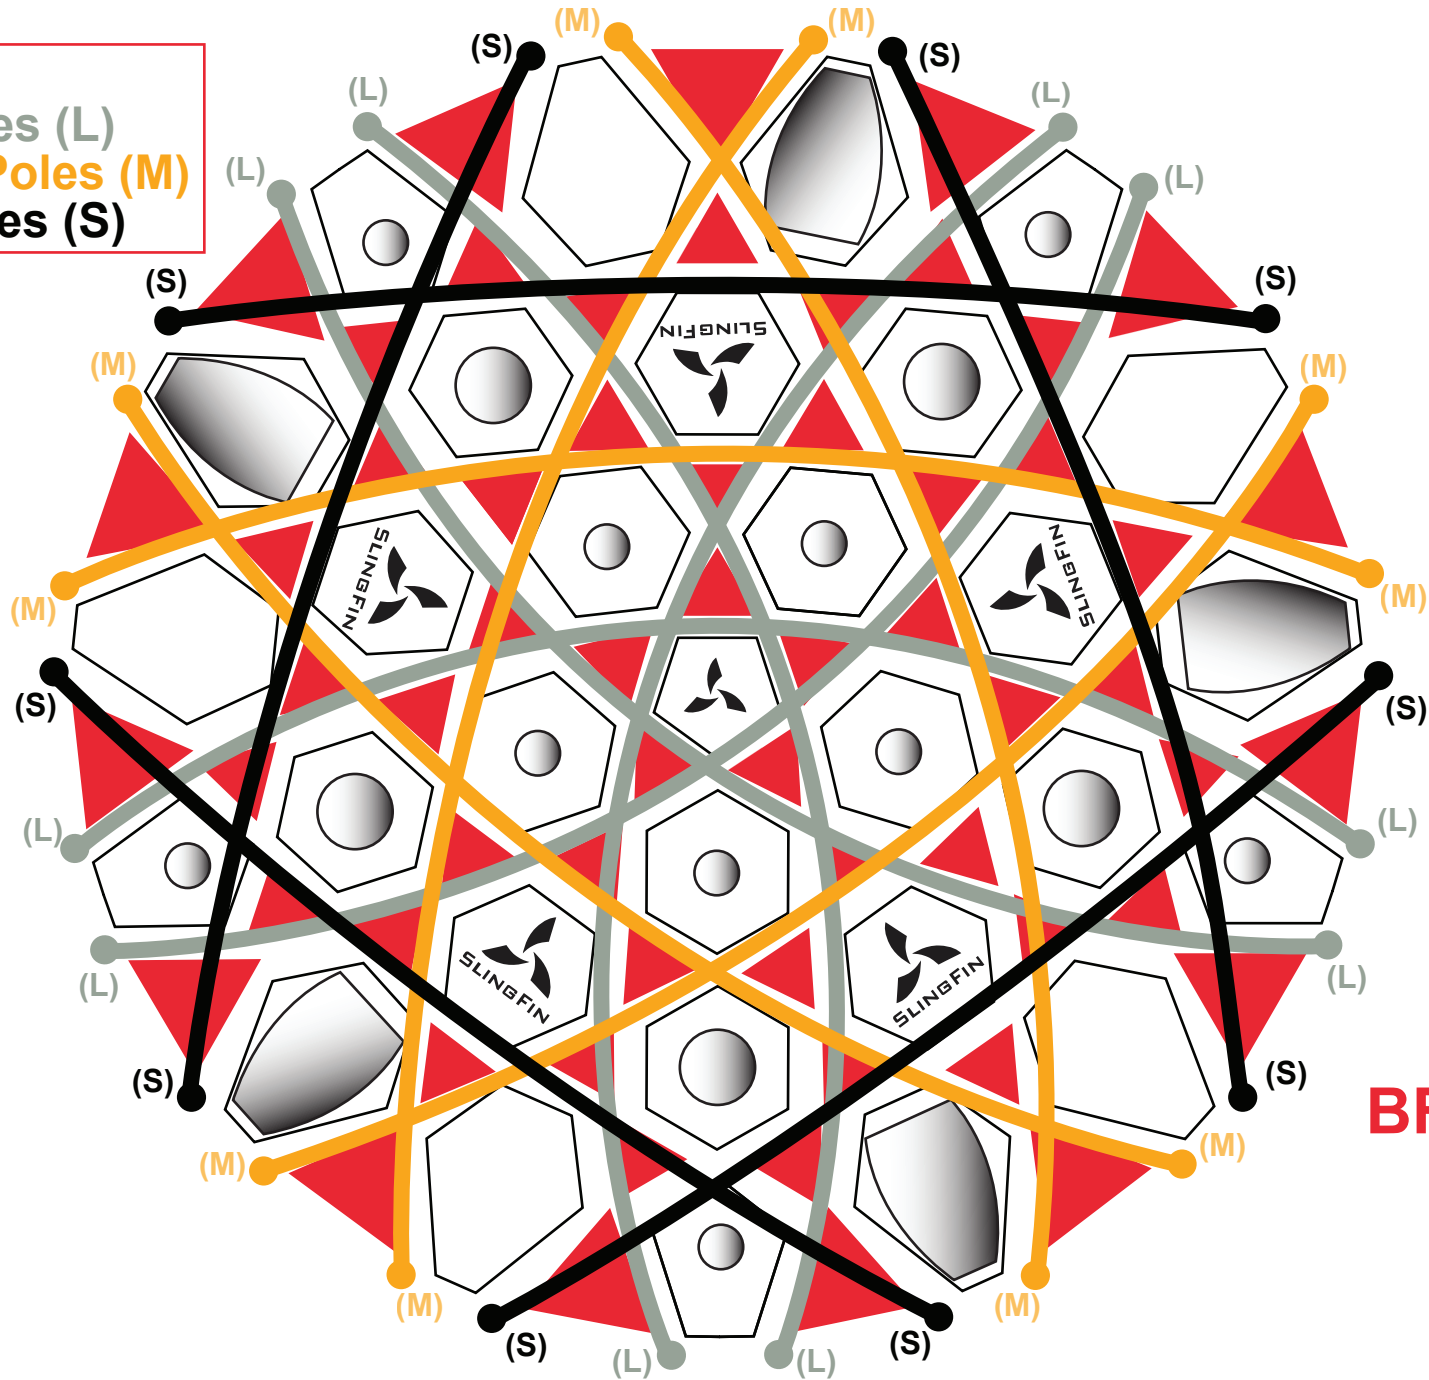

BFD set up

Have one or more people stand inside the tent body and push out to expand the tent, while people on the outside of the tent insert the pole ends into the proper grommet straps (marked accordingly)

Pole Guide

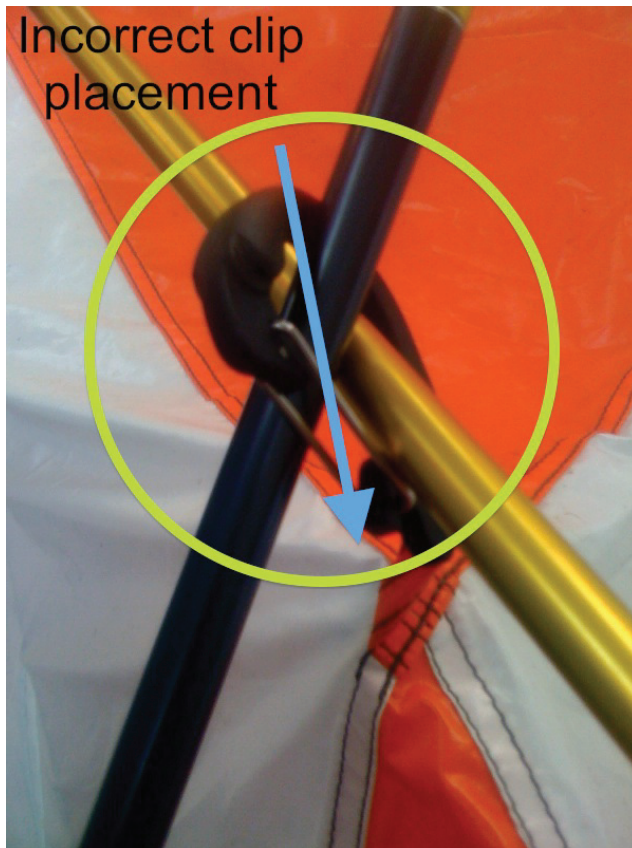

- Long Poles (L)
- Medium Poles (M)
- Short Poles (S)

BFD set up

Assemble the 5 Silver and Black poles (S) and install the pole ends into grommet straps marked (S).

BFD set up

Make sure clip alignment is correct.
