

Our offering includes:

Fox &
Chave

FABRICS

- *Twill silk* – classic elegance, traditionally used for square scarves
- *Crêpe de Chine silk* – heavier, luxurious silk
- *Chiffon silk* – light, soft finish
- *Habotai silk* – light, shinier finish
- *Satin silk* – heavy, shiny finish, better if lined
- *Brushed silk* – used to line luxury stoles and scarves
- *Modal or modal/silk blend* – light and youthful
- *Cotton or cotton/silk blend* – contemporary and casual
- *Wool or wool/silk blend* – perfect winter item
- *Polyester* – suitable for school ties or scarves on a tight budget!

PRODUCTS

For Him – ties, bow ties, pocket squares, bandanas, cummerbunds, cufflinks

For Her – scarves (all shapes and sizes) stoles, headbands, pendants and bangles

PRINTING & REPRODUCTION

- *Screen printing* – traditional method, giving sharp, accurate reproduction, colours can be individually matched and corrected. Good saturation, suitable for thicker silks. Four colours are included in our prices. Further screens / colours are charged for
- *Digital printing* – overall process, better on thinner silks, as there is less ink saturation. Perfect for designs containing lots of detail, colours or shading. No set up charges.
- *Woven silk* – suitable for ties, bow ties and cummerbunds. Classic ‘club’ style. Design should not be too small or detailed

MOQs

Screen printed – 100 pieces

Digitally printed – 50 pieces

Woven – 50 pieces

Metal items (cufflinks, pendants, bangles) – 20 pairs/pieces per design
