

BK13 | INDOOR OUTDOOR

BODIL KJÆR

CARL HANSEN & SØN

DESCRIPTION

The BK13 swing sofa by Bodil Kjær is part of her beautifully crafted and architecturally inspired indoor-outdoor furniture. The Danish architect was inspired by Cubism for inspiration for the sofa's precise, streamlined form which is crafted from solid teak. The swing sofa offers superior comfort, suspended from knotted ropes for a relaxing rocking motion.

DESIGNER

Bodil Kjær (born in 1932), as a furniture designer, views furniture construction from a purely technical perspective, interplayed with modern architecture and created for people. She always considers context and has collaborated with different professions in her desire to optimize physical settings.
