

CHO08

HANS J. WEGNER

CARL HANSEN & SØN

DESCRIPTION

CHO08 consists of a round tabletop with three detachable, tapered legs which slant outwards. The rounded legs give the coffee table an elegant and almost floating look. For support, the table has a solid triangular frame and only 3 legs, giving it more stability, even on a slightly uneven floor.

DESIGNER

Danish architect Hans J. Wegner (1914-2007) is considered a pioneering furniture designer of the twentieth century. Often referred to as the master of the chair, Wegner created almost 500 in his lifetime – many of them considered masterpieces. Wegner was part of the spectacular generation that created what is today referred to as 'the Golden Age' of modern Danish design.

MATERIALS

Note that oak has a clearly visible wood structure when painted.
