

E015

EOOS

DESCRIPTION

EOOS designed the E015 Embrace Lounge Chair to provide superior comfort. The chair consists of a continuously visible wooden structure with a three-piece, rounded back and characteristic legs adding to the overall frame. The seating is created with a three-dimensional cushion embracing the wooden frame, as well as the person sitting in it.

DESIGNER

EOOS, is a design collaborative established in Vienna in 1995 by Martin Bergmann (b. 1963), Gernot Bohmann (b. 1968), and Harald Gründl (b. 1967). EOOS views design as a poetic discipline, believing that end results should be able to accommodate changing needs and desires. EOOS designs for many of the world's best-known brands. The trio has won over 130 international awards.

MATERIALS
