

Request for Warranty Claim

Turbochargers sold by Turbo Master Australia Pty Ltd (TMA) are covered by a 12 month/20,000 km warranty (whichever occurs earlier). Our warranty excludes performance turbochargers, turbo kits, turbo upgrades and accessories.

In order to be entitled to claim under warranty, you must stop using the product as soon as you become aware of a possible defect and notify TMA of the issue.

To make a warranty claim, please complete this form and email it to TMA. You must submit this form prior to returning your product to Turbo Master Australia. We do not accept the return of any goods without prior approval.

For full details, please refer to our [Warranty](#) information.
