INSTALL GUIDE

DS2 SURFACE MOUNT HOOD

STEP 1

Install mounting hardware in DS2 Surface Mount.

STEP 2

Attach double-sided tape to the hood per the diagram. Make sure the tape does not cover any of the hood's cutouts.

STEP 3

Adhere DS2 Surface Mount to the hood. Make sure mounting holes line up.

STEP 4

Complete installation of the combined hood and DS2 Surface Mount per Control4's mounting instructions.
