FORTIVITUM

Mybooster presents a unique range of innovative Health Supplement Sprays from Fortivium. Fortivium was started with a team comprised of Scientists, Pharmacists, Nutritionists, And Health Specialists Who examined the specific needs of the body and then investigated what inevitably gets left out of the modern diet and lifestyle, depriving our body of essential nutrients. Fortivium's sprays are designed using cutting edge nanotechnology and have a demonstrated Absorption Rate Of Upto 95%, coming with a high concentration of Active Ingredients which make sure that your body gets the essential nutrients it deserves. All Fortivium products are free of GMO's, Gluten, Allergens, Synthetic Sweeteners, Colors and Artificial Flavors. Fortivium products are Compliant with FDA Regulations and manufactured at a CGMP Certified Facility In Arizona, United States.
