## 2021 CATALOG

---

## Hello!

I am Trisha, the owner and illustrator behind Peppercorn Paper.

Peppercorn Paper is a small family owned company located in Lake City, Minnesota. Our line includes over 70 greeting cards, art prints and snail mail inspired rubber stamps designed to decorate letters and envelopes

Each piece of artwork begins as a hand drawn illustration in my notebook, which is then digitally colored in vibrant earthy tones.

All products are designed and produced in the USA. I hope you enjoy them as much as I have enjoyed creating them!
