E mahalo kakou i ka mea loa.

I loko o keia au, e kalele kakou i ke aloha a me ka mahalo. Na ke Akua e hoopomaikai a alakai ia kakou apau! This year I have a goal to write a thank you card every day. The idea isn't to have a perfect score, but to remember to be grateful every day for specific things and people. Happy writing!

Print the card on cardstock and cut around the edges before folding in half. Use with A2 envelope.
