

## INSPECTION NOTICE – LADSAF X3+ IMMEDIATE ACTION REQUIRED

3M Fall Protection/Capital Safety has identified a limited number of Lad-Saf X3+ sleeves with the locking lever not working properly. This condition can allow the sleeve to disengage from the cable during use. The assembly error is believed to affect only a limited number of units and has been corrected. There have been no accidents or injuries related to this issue.

End-users: Immediately conduct an inspection (see below). This inspection is part of the pre-use inspection recommended for all X3+ (#6160052) sleeves as described below. If you find an affected sleeve, remove the sleeve from service and contact our Customer Service department at Australia: 1800 245 002 or New Zealand: 0800 252 627 or email [LADSAFANZ@mmm.com](mailto:LADSAFANZ@mmm.com) to obtain a return authorisation. Upon receipt of the affected sleeve, we will ship you a replacement sleeve at no charge.

For further information on the operation and use of the Lad-Saf X3+ sleeves, see video at <https://youtu.be/ljknN2vkE2w> or scan this QR code to view the video on a mobile device.

Distributors: To obtain a listing of parts sold to you or to obtain a return number if you have any of the affected sleeves in stock please contact our Customer Service department on Australia: 1800 245 002 or New Zealand: 0800 252 627 or email [LADSAFANZ@mmm.com](mailto:LADSAFANZ@mmm.com)

Note: Please forward this Inspection Notice to any of your customers who have purchased affected sleeves from you and provide any assistance requested by your customers to complete the replacement process.

3M Fall Protection will post this Notice at [www.capitalsafety.com](http://www.capitalsafety.com). Please direct any additional questions you may have to Australia: 1800 245 002 or New Zealand: 0800 252 627 or email [LADSAFANZ@mmm.com](mailto:LADSAFANZ@mmm.com).
