We are so confident in the quality of our uniforms that we offer a 5-year product warranty on all of our garments.

## BEHIND THE SEAMS

Unlike many uniform suppliers, when UMS say “our factory” we actually mean it! We 100% own and operate our factory in Vietnam, called UMS Vietnam and have genuine relationships with our employees. We know who they are and value their many years of experience and dedication, providing our school customers with consistent, high quality uniforms.

As proof of our dedication to ethical manufacturing, UMS has successfully achieved accreditation in two of the world's leading standards for Social Accountability and the Ethical Treatment of employees, SEDEX and SA8000. These stringent standards certify that UMS not only complies with the local laws of Vietnam, but also that we satisfy all guidelines established by the International Labour Organisation and the Universal Declaration of Human Rights, which include no child labour, no forced overtime, fair wages, and a safe workplace.

We are passionate about our commitment to being a completely transparent, ethical manufacturer of school uniforms, which is why we encourage all schools to look ‘Behind the Seams’ of their suppliers.
