MANI IN A BOX[®]

WATERLESS 3 STEP

PROFESSIONAL BENEFITS

- Single Serve • Easy to Use • Low Start Up Cost
- Easy Cost Management • Perfectly Portioned
- Easy Inventory Management

Mani in a Box 3 Step Waterless is the perfect upgrade for manicure services! Unlike traditional manicures, this system comes with a sugar scrub and mud masque to deliver a deluxe spa experience.

This service is ideal for salons who choose not to use water, and mobile nail techs who are always on the go!

WHAT DOES YOUR SKIN CRAVE?

new!

LAVENDER RELIEVE

Infused with pure Lavender extract for total relaxation! This manicure nourishes and de-stresses dry skin to relieve your senses with its calming scent.

GREEN TEA DETOX

A detoxifying treat for manicures! Green Tea extract draws out the toxins, leaving skin feeling clean, clear and totally refreshed.

VITAMIN RECHARGE

A burst of Vitamin C for the ultimate skin regeneration! Known to de-wrinkle and get rid of dryness, this pedi works extra hard for results you'll love!
